**DETAILED ACTION**  
**EXAMINER'S AMENDMENT**

This Office action is responsive to the amendment filed on November 15, 2001.

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows: cancel claim **26** as being directed to a non-elected invention (without traverse).

1. Claims 1-25 are allowed.
2. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited prior art so as to satisfy the combination of the present independent claims 1 and 17; especially, the prior art does not provide a detail and structural interrelationship among: a substrate, a device supported by the substrate and comprising a first bond pad, a cap overlying the substrate and comprising: an outside surface facing away from the substrate, the inside surface facing towards the substrate, a second bond pad at the outside surface, a third bond pad at the inside surface and electrically coupled to the first bond pad; and an electrically conductive via extending through the cap and electrically coupling together the second and third bond pads, as recited in claims 1 and 17.
